# *Dedication*

To Mrs. Mabel H. Knipe, we dedicate the thirty-ninth edition of the Huttlestonian. As head of the English department, Mrs. Knipe has unselfishly aided the Seniors at Fairhaven High School for many years.

Mrs. Knipe has spent much of her spare time as advisor to the "Spray" and director of past Senior plays. When prayer was denied us, Mrs. Knipe began writing a layman's bible called "Thoughts for the Day."

The Fairhaven High School graduating class of 1965 owes a great debt of thanks to Mrs. Knipe and in appreciation for her understanding we fondly dedicate this yearbook.

Charles C. Entwistle  
Fairhaven High School  
Principal

To The Members of the Class of 1965

When you open your yearbooks for the first time, you will be near to that hour when you will go forth from Fairhaven High School for the last time as a student. As you cross the threshold on this outward step, you will be crossing at the same time the Threshold to Tomorrow. For you, the doorway to the new day opens to opportunities exciting and rewarding.

Four years you as a class have had a common purpose. As you crossed and recrossed the thresholds of home and school you have grown as you worked toward a goal in which you all have shared. Now the Threshold to Tomorrow will bring a parting for each of you as you enter a new era in your lives. Yet even though you pursue courses still unknown, you will take with you a bit of the fine heritage of this school. In turn, as you leave you will leave behind an addition to the legacy that awaits future members of Fairhaven High.

In your crossing of the threshold, you leave us and so we hope for each of you a future that brings to you the full richness of life. We know that beyond that Threshold to Tomorrow is success. May each of you grasp it with all your strength.

With sincere good wishes,

*Charles C. Entwistle*

## *Seniors*

"Oh may this book to you  
bring memories  
As oft you scan it in the years  
to come,  
May it bring back the joys and  
cares you knew,  
The hours you spent to keep  
from being dumb.

Four years seemed such a long,  
long time to us,  
When we as freshmen to our  
classes strode,  
We find it hard to say,  
'Goodbye, dear school',  
And go our way out on Life's  
busy road."

## *Class History*

Looking back over our four years in Fairhaven High School, we discover that our freshman year wasn't so long ago. None of us will forget that first confused day in the big high school. In this, our first year, we elected Kathy Teixeira, president; Sandra Almeida, vice-president; Stephen Messier, secretary; and Stephen Entin, treasurer. The executive board was comprised of Joyce Holden, Wayne Lodge, Janet Pacheco, Joan Laverdiere, and Raymond Fonseca. Our class, the largest ever at Fairhaven High, sold beach hats under the guidance of Mr. Cornforth. At the end of our freshman year Kathy Teixeira was chosen for cheerleading along with substitutes Jean Alexion and Joyce Holden.

The summer of 1962 passed all too quickly, but nevertheless we found ourselves eager to return to school as sophomores. At this time we elected Stephen Entin, president; Raymond Fonseca, vice-president; Stephen Messier, secretary; and Wayne Lodge, treasurer. The executive board included Sandra Almeida, Kathy Teixeira, Joan Laverdiere, Janet Pacheco and Joyce Holden. Our class project, selling magazines, was a great success. Polly Ann Harrison was added to the cheering squad with Kathy Teixeira as head cheerleader.

We entered our junior year with the satisfaction of being upperclassmen at last. Much of our excitement this year was in preparation for the planning of our Junior Prom and Junior Day. Guiding us through our many activities were Raymond Fonseca, president; Wayne Lodge, vice-president; Judy Almeida, secretary; and Allen Patenaude, treasurer. Joan Laverdiere, Toni Rego, Janet Pacheco, Polly Ann Harrison and Scott Morris made up the executive board. This year we were greatly helped by Mr. Silva and Miss Miller. Our class projects, the selling of fruitcakes and chocolate Easter bunnies, were very successful.

Stephen Entin was chosen as the American Field Service student to take part in the program from Fairhaven High School. He spent about three months in

the Philippines and returned with much to tell everyone.

Our Junior Prom held on May 8, was a memorable night for everyone. After long hours spent on decorations, we all realized it was worth while upon our arrival at the Auditorium. The theme was "Evening in Paris". The dance was a big success, and the ultimate moment of the evening was reached when the Queen and her Court were announced. Toni Rego was our Queen and Sandra Almeida her Lady-in-Waiting. The Queen's court was comprised of Joan Laverdiere, Kathy Teixeira, Joyce Holden, Diane Benoit, Polly Ann Harrison, Sharon Matland, Jean Alexion, and Paula Souza. We arrived at Junior Day with mixed emotions. It was then we were elevated to the position of Seniors and assumed the responsibility of leadership in the school.

The long awaited year arrived. To lead us through our final year we chose: Raymond Fonseca, president; Joan Laverdiere, vice-president; Janet Pacheco, secretary; and Allen Patenaude, treasurer. The executive board was comprised of Alden Trull, John German, Stephen Entin, Scott Morris, and Robert Aguiar. With the aid of Mr. Silva, we sold fudge for our class project. This year we all enjoyed a new addition to our class, Michiko Kijima, the exchange student from Japan. The Senior Play was presented on March 12 in the Larch Avenue Auditorium. It was entitled "Ring Around Elizabeth", and was a lot of fun and very successful thanks to its director, Mrs. Hiller.

Nearing the end of our days at Fairhaven High School, we began our graduation exercises. On June 11, the Senior Prom was held in the Gold Room of the New Bedford Hotel. This was the last dance we would attend together as classmates. On June 13, Vespers were held in the Larch Avenue Auditorium. June 14, brought the night of our Senior Banquet. On June 16, our friends and relatives gathered to attend our graduation. With tears in our eyes, thoughts of our days, both happy and sad in F.H.S., passed through our minds. Now we looked to the future, bidding farewell to that part of our lives we shall always cherish.

## *American Field Service*

Tomoni aruko, tomoni kataro. Soshite hajimete neiwaga unareru. Translated, this means, "Walk together, talk together, all ye people of the earth. Then, and only then, shall ye have peace." This is the motto of the American Field Service which brings students here from fifty-nine countries to attend American secondary schools for a year of study and experience. During the summer it sends American teenagers abroad to live with families in some thirty-seven countries.

This year Michiko Kijima of Tokyo, Japan, is representing her country at F.H.S. "Mickie", who is sharing our Senior year with us, is living with Jackie Ray and her family. Stephen Entin, another "A.F.S.'er", represented the United States last summer in the Philippines.

## *A. F. S. Club*

The American Field Service Club is an organization just initiated this year. This group's main purposes are: to provide a part of the funds needed in order to bring exchange students to F.H.S., and to send our representatives to other countries, and to act as a public relations group through which new students may find it easier to become adjusted to American school life.

It was a beautiful day, the sky was clear and the sun was shining, as we marched into the Larch Avenue Auditorium for the Junior Day exercises. The happy day had finally arrived, for we were to receive the symbolic mantle of the Senior Class.

## *"Evening in Paris"*

The auditorium had been transformed into an enchanting Parisian street scene. The walls were adorned with softly glowing lanterns and floating Eiffel Towers to enhance the mood; leafy trees and a glittering fountain bedecked the stage. This was the evening of our Junior Prom.

As we arrived, we were greeted by the Patrons and Patronesses. Beaming princesses were waltzed about the floor by their well-dressed escorts.

However, all activity halted as the royal procession entered, led by last year's Queen, Jane Delano. Following her was the Queen's lovely court—Joan Laverdiere, Paula Souza, Joyce Holden, Jean Alexion, Sharon Matland, Diane Benoit, Polly Ann Harrison, and Kathy Teixeira. Next came the Lady-in-Waiting, Sandra Almeida, and finally Her Highness, Toni Rego.

Our Queen, crowned by Jane Delano, received a beautiful bouquet of red roses. The Lady-In-Waiting and each member of the court were also presented a lovely bouquet and a gold charm.

At eleven-thirty, our enchanting evening in Paris came to a close, but it was truly an evening we would never forget.

"The goal of yesterday will be the starting point of tomorrow."

*Class of '66*

We have finished our first year as upperclassmen and are on the threshold of our last. Our Junior year is over, but the memories will remain with us for a long time to come. Throughout the year we have been led by class officers Sandra Morris, Suellen Aiken, Susan Ross, and JoAnn Kidd, and executive board Patrick Lang, Peggy Bouley, Randy Leisey, and Joyce Renaud. Our class project, selling fruit cakes, was very successful due to the efforts of such classmates as Nancy Ruest, David McCombe, Dennis Lopes, and Robert Foster. We've had our prom and Junior Day, and we are now officially Seniors. We are on the threshold of life and new learning.

*Class of '67*

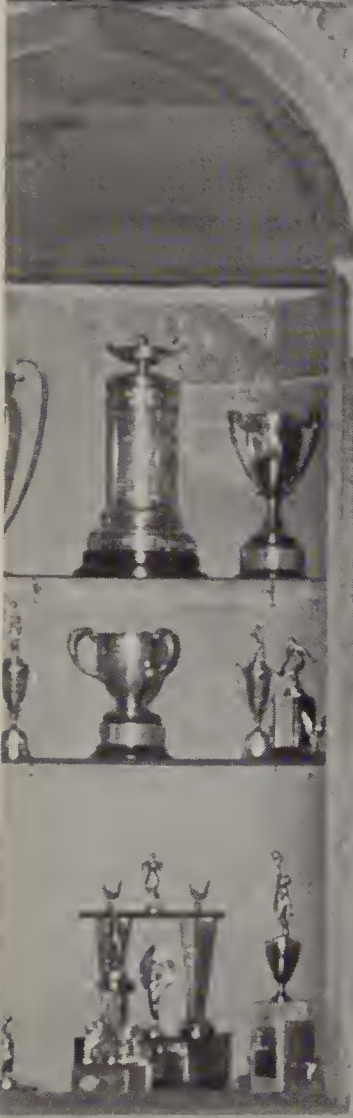

Having been the youngest class at F.H.S. for two years, we are looking forward to our first year as Upperclassmen with great enthusiasm. Leading us in our activities this year were class officers Howard Barrow, Jane Tillotson, Susan Medeiros, and Tom Powers, and executive board members Barbara Bouchard, Betty Jones, and Henry Bernier. Our class project, selling magazines, was successful for the second year in a row. We've pulled through the period of "Sophomore Slump" and are now on the threshold of higher learning.

The Fairhaven High School Chapter of the National Honor Society was organized in 1927. The attainment of membership in this Society, which is both an honor and a responsibility, has been the ultimate aim of all students. The members must be willing and able to uphold its ideals of scholarship, leadership, character, and service.

The Student Council of Fairhaven High School was formed as a medium through which representatives of the student body could voice their opinions on matters concerning their activities and behavior. With the help of its advisor, Mrs. Doris D. Bruce, the group sponsored an American Field Service Tea, distributed Christmas baskets to needy families, sold book covers, initiated a school clean-up project, and held several dances. Its active President, Raymond Fonseca, was elected President of the Southeastern Massachusetts branch of Student Councils.

## Huttlestonian Staff

To have, or not to have a yearbook—that was the question.  
 Whether 't was nobler in the mind to suffer  
 The slings and arrows of an outraged class,  
 Or to take arms against a sea of classmates,  
 Or by taking off avoid them. To have—or not—  
 No sweat—and by "not" to say we end  
 The heartache and the thousand natural shocks  
 That editors are heir to. 'T is a consumption  
 Devoutly to be wished, to quit. To quit,  
 To rest, perchance to daydream; aye, there's the rub,  
 For while a passing time up in the Hutt, what guidance  
     directors may come  
 Must give us hell! There's the threat  
 That makes unused our sunny balcony.  
 For who would otherwise fail to lock the door,  
 Stretch out on four chairs, make snowmen on the ledge,  
 But that the dread of frequent aftersessions  
 Makes us rather suffer and be good,  
 Than have a bit of good, clean, useless fun.  
 Thus the Yearbook doth make servants of us all,  
 And we her wants and needs must all appease,  
 With fast and furious action.

The cheerleaders practice daily throughout the athletic seasons. At the end of the year, they compete in cheering tournaments where they have received many honors.

The "Spray" is the school paper which affords students an opportunity to express their opinions. Members of the "Spray" staff gain valuable experience in the preparation and organization of a newspaper.

The 1964 Fairhaven High Blue Devils performed valiantly, but unfortunately produced few victories. The boys on the team displayed strong determination and courage in the face of insurmountable odds. The shining hour of the season for the F.H.S. eleven came in the Vocational game which the Blue Devils won, 12-0.

A new addition to the coaching staff was Coach Alan August, who instructed the linemen. Head Coach Warren Griffin, in his second year at the helm, and Coach Arieta rounded out the staff. These men did a fine job in keeping spirits up and teaching good sportsmanship in the darkest hour.

JOE

The 1964-65 basketball squad started its season with a nucleus of only two starters from the previous year, John Marsden and John Runcis. The question was "*What kind of team shall we have?*" It was soon answered. Coach Wayne Wilson's record for the season was 10 wins and 8 losses. This season was highlighted by the upset defeat of Coyle 47 to 40 which *eliminated* them from first place. The boys lost a few tight ones which could have gone either way.

Fairhaven High School is in a rough league, but the boys held their own this year. They did their best throughout the season and at one time had a winning streak of five games. The Blue Devils hustled, scrapped and showed unlimited determination. We, at Fairhaven, are proud of our boys because they not only proved themselves to be athletes on the floor, but true gentlemen on and off the court.

The squad will lose the services of five seniors: John Runcis, John Marsden, Joe Dwelly, Billy Dumas, and Dennis Alves. Next year another group of athletes starts anew to carry on the record of true sportsmanship and spirit typical of our Fairhaven boys.

Our New England State Champion On The Move.

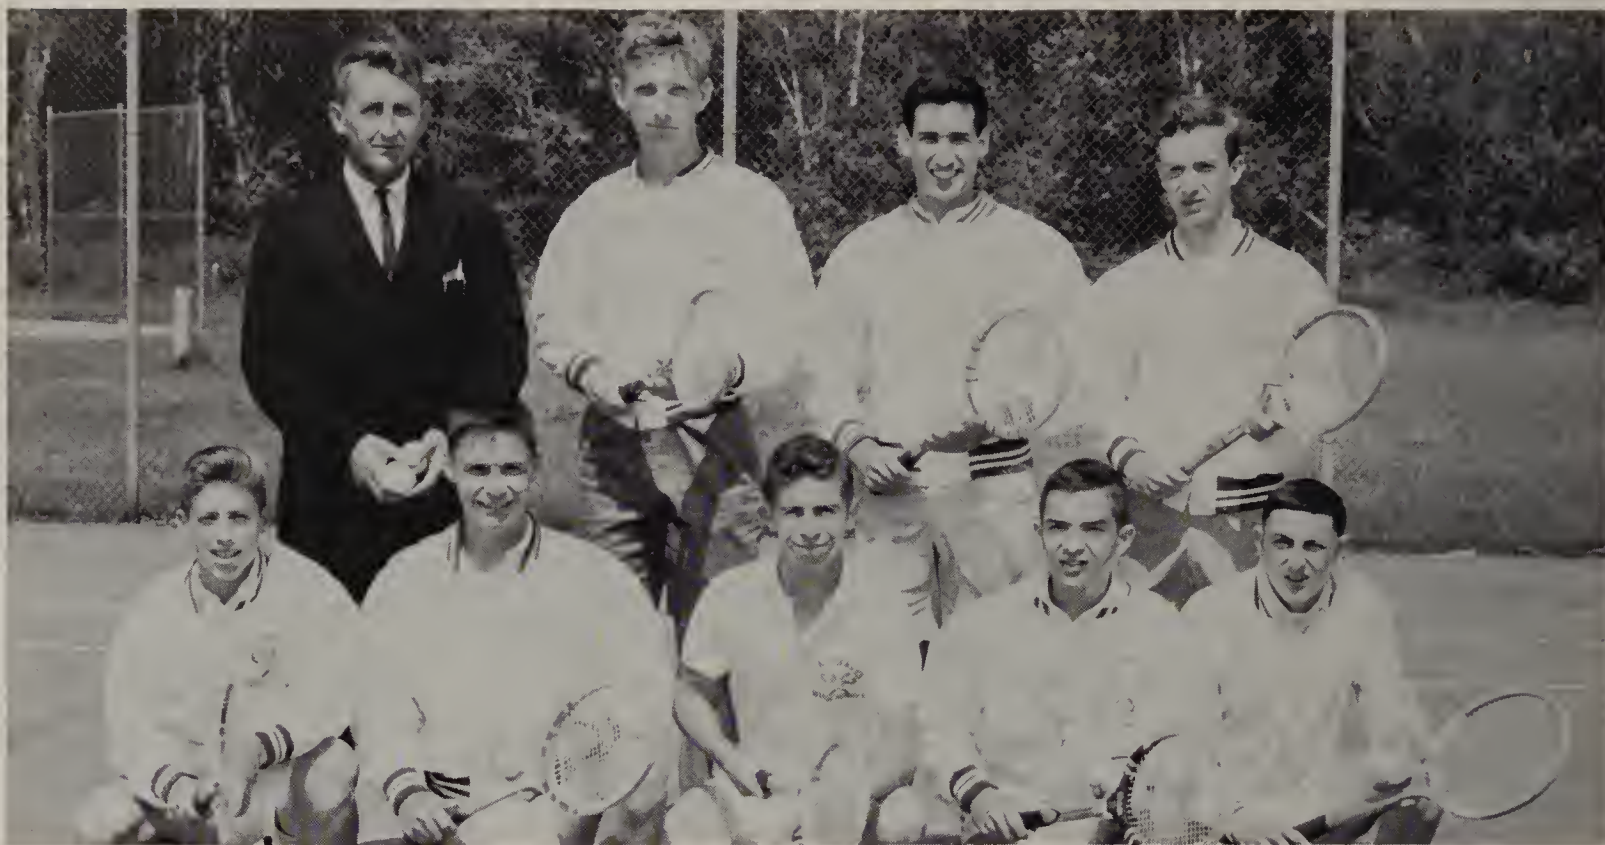

## *New England Champion*

This page has been dedicated as a special salute by the Class of '65 to Allen Patenaude, one of Fairhaven's finest athletes ever. Allen has brought home continued glory and recognition to F.H.S. by virtue of his outstanding performances in track and field. It would be difficult in such restricted space to give full credit to all of Allen's accomplishments on the oval. Allen is the owner of several track records both locally and on the state level. Coupled with his numerous State and New England titles, Allen has done a truly remarkable job in bringing credit to F.H.S. and the community. Therefore it is now the desire of the Class of '65 to wish Allen Patenaude all the good fortune possible on his paths to the XIX Olympiad in 1968.

## *Tennis 1964*

Now this is the way you do it, explains coach Twarog.

The 1964 Fairhaven High School tennis team enjoyed an excellent season. It was highlighted by consistent victories and double wins. Led by Peter Renfree, and Ned Locke, this team was one of the finest ever to grace the courts of Fairhaven High. Much credit must be given to Coach Edward Twarog, who inspired the boys all the way.

## Golf 1964

*Left to right:* W. Costa, D. Divignon, W. Young, H. Barrow, W. Wlodyka, M. Janik, M. Janson.

In 1964 GOLF was introduced into the Fairhaven High School athletic program. Golf is not so much a game of physical development as it is character development. The 1964 team had its share of characters. The eight man team was coached by Mr. Roland Sequin, and played its matches at New Bedford Public Links. The members were Bob Martin, Harold O'Brien, Wayne Young, Wayne Costa, Walter Wlodyka, Howie Barrows, Mike Janak, and Mike Janson. The first year in the league is a trial year. The Blue Devils linksmen compiled a 6-6-2 record for the season. It was a great showing for a first year team, at Fairhaven High.

## Bowling 1964

Fairhaven's Pin Sweepers.

In 1964 bowling was introduced at Fairhaven. This sport gave students who were not able to compete in regular Varsity sports a chance to show their skills. Using the facilities at Fairhaven's Atlantic Ten Pin lanes the team enjoyed a wonderful season.

Besides winning the majority of their games, the F.H.S. girls showed the admirable qualities of teamwork and sportsmanship that are essential in any sport.

The outstanding senior players were our captain Linda Dumoulin, Bev Pimental, Janet Pacheco, Joyce Holden, Sharon Matland, and Elaine Long.

An abstract graphic design featuring several thick, black, hand-drawn lines. Two horizontal lines cross two vertical lines, creating a grid-like structure. The lines are slightly irregular and vary in thickness, giving it a minimalist, modern feel. The background is a light, neutral color.
